

## WEEK FOUR

### DON'T DROP THE BALL

There's a \_\_\_\_\_ that sits right between Elijah's time in Zarephath and his coming experience on Mount Carmel, and this link, this bridge, is \_\_\_\_\_.

Stop downplaying the \_\_\_\_\_ of your position. Stop undervaluing how critical and purposeful your current posture is. You are \_\_\_\_\_, right where you are.

God's hand is on you wherever He has \_\_\_\_\_ you, to be used for His purposes and His glory. Keep your spiritual eyes open, and don't \_\_\_\_\_.

There's something to be said, not only about being in a \_\_\_\_\_ position, but also about making an unwavering pledge, having a fierce \_\_\_\_\_ of the things of God.

What are you \_\_\_\_\_ doing to make sure you are \_\_\_\_\_ the \_\_\_\_\_ of God in this generation?

Just in doing your job, that \_\_\_\_\_ leads to a moment of \_\_\_\_\_.
