About Us

Trinity's **E**arly **C**hildhood **M**inistry, KIDZTOWN, is a place where no child is too young to learn about the love of God and His Word.

In **ECM**, you'll find smiling faces, safe and creative environments, Bible-based curriculum, children worshipping Jesus with instruments and song, and volunteers with a passion for children.

In **ECM**, your child is checked in to a secure area which is locked down during service times. In addition, each volunteer is required to complete an application with references, a background check, and trainings.

Join us on a **BIBLE** Adventure!

Through each month-long adventure, children will learn a new memory verse, sing a new song, and learn a new story straight from The Bible App for Kids.

Children will also learn answers to questions like:

- *Is God Real?
- *How Can I Be God's Friend?
- *Who is Jesus?
- *What is the Bible all about?
